

Creative Adventures:
Summer Garden Art Party

Saturday 21 January 2006: 10am - 4pm
Bellambi - South Coast

I invite all interested to a Summer Garden Art Party where we will learn the basics of water colour from FANTASTIC South Coast visual artists JACK DRAPER and her mother EDITH in their gorgeous backyard, only 1 hour south of Newtown along the Princes Highway in Bellambi.

If you already know how to work with water colour, please feel free to join us for the day and PLAY with water colours amongst friends. Surrounded by the south coast escarpment and with the ocean minutes away by car, this will be the perfect place to spend a summers day.

Arrive at 10am for a 10.30am start for a day of delightful company, lots of laughs, learning and creative adventure. We will finish at 4pm, so there's plenty of time to head back home for saturday night plans.

What to bring:

- * \$40 towards teaching & equipment costs for Jack & Edith.
- * Canvas or watercolour paper.
- * Vegetarian lunch to share - drinks will be provided.
- * Swimmers if you want to cool off at lunch, there's a great pool in the garden.

To make the most of the space and teaching time together, numbers will be limited.
