ELENA B WILLIAMS

House Concert, Sydney

Sunday 15 December 2013, 2pm - 5pm

43 Station Street (East), Tempe NSW

Happy Summer to those in the southern hemisphere. We are very happy to be ending the year with another soul-filling house concert, this time with the fabulously talented Elena B Williams.

Elena is a well-seasoned performer at festivals and venues in Australia and overseas. Her music is a blend of soul, folk, jazz and blues but really a sound all of her own.

Elena is a winner of Best Acoustic Act at the Canberra live music awards and three-time finalist in the MusicOz Awards. She also featured on Pete Murray's 2008 album "Summer at Eureka". Having recently sold two songs to up and coming ABC TV show "The Gods of Wheat Street" and signing to Outbox Records from Nevada, Elena is now touring her debut solo EP "The Rose" before heading off to Canada for a west coast tour.
